US Size 9 (5.5 mm) Knitting Needles

Tapestry Needle

Scissors

Straight Pins

**Pillow cover can be sewn on machine or hand sewn with needle and thread.**

**Suggested Gauge** for Pomp-a-doodle Yarn

10 sts + 12 rows = 4"

Cut material into two 18 x 18 pcs. This size allows for overlapping on the sides. You will have to fold over about ½ to 1" depending on your pillow. Always measure for accuracy. Pin three sides together and place pillow form inside to ensure proper size and placement. Remove pillow and sew up three sides, insert pillow form and sew remaining side.

**Make your Pomp-a-doodle trim.**

Measure your finished pillow around so you know how long to make your Pomp-a-doodle trim. There is a little stretch to the trim so check length as you go.

**Note:** See Pomp-a-doodle resource link before knitting.

**Cast On 4 sts.**

Knit in garter stitch (knit every row) for approximately 51" or length desired. Bind off and pin around your pillow edge. Hand sew your trim onto edge of pillow when you are sure of length.

Close up of edging trim.

Love, Life and Hope. Enjoy your pillow.
